First International Wellness Day Commemoration 2026

New York, April 13, 2026 -- *The First International Wellness Day Commemoration 2026.*

The Permanent Mission of Nepal to the United Nations and Consulate General of Nepal in New York, in partnership with the World Health Organization, are co-organizing a commemorative event to mark the First International Wellness Day following the adoption of UN General Assembly resolution A/RES/80/248.

The event will take place on 17 April 2026, from 3:00pm to 6:00pm, in Conference Room 2 (CR 2) at the United Nations Headquarters, New York.

This event aims to promote global awareness and collaboration on enhancing holistic wellness through preventive, lifestyle-based and people centered approaches, while recognizing the potential contributions of the wellness sector (economy) in advancing global peace, health, human dignity and sustainable development.
